Pashu Samvardhan Kendra Jagudan

ISO 9001:2015 certified "A" Grade semen station

MEHSANA Dudhsagar Research & Development Association is sister organization of Mehsana District co-operative milk union Ltd, Mehsana (Dudhsagar Dairy Mehsana), established in year 1967 with a major objective of 'Breed Development' by inducting the High Genetic Merit Bulls for increasing milk productivity per cattle and buffaloes.

To cater the need of supply of high genetically potential frozen semen doses to milk producers, DURDA established "Semen Station" in a year 1979. Our Semen station is ISO 9001:2015 certified with awarded "A Grade" semen station since inception 2005 evaluated by Central Monitoring Unit, Gov't of India's Department of Animal husbandry and dairy. Our main objective is to produce quality bovine semen straw and to satisfy the needs and expectation of Milk producers.
